Research project topic (print clearly):

On separate sheets (not to exceed a total of two single-spaced pages):

- 1) Describe your research project, rationale, methodology, and significance. What will you accomplish? Why is your project important? How will it contribute to medieval studies?
- 2) If the award will support research for a thesis or dissertation, briefly outline its chapters.
- 3) Detail research expenses for which you request financial support. If you must travel, explain why.
- 4) Describe previous funding you have received to support your research and how it was used. List other sources you will apply to for financial support.

Complete the following checklist:

- I am a member of the Medieval Academy (as of 15 January) and have paid my dues for this year.
- I am a citizen or a permanent resident of the United States or Canada.
- One of my graduate professors, _____, will write on my behalf:
 - The letter is enclosed in a sealed envelope signed by the author on the back across the seal.
 - The letter will be mailed by the author to the Medieval Academy office to arrive by 15 February.Please note: E-mail letters are not acceptable.

Signature _____ . Date _____ .

This cover sheet, the two separate explanatory sheets, 5 additional copies of these materials, and the letter of recommendation must reach the Medieval Academy by 15 February.

DO NOT SUBMIT ADDITIONAL MATERIALS.

Mail all materials to Schallek Fellowship, Medieval Academy, 104 Mt. Auburn St., Cambridge, MA 02138.

Late applications or applications that do not follow these instructions cannot be considered.
